

**April 1, 2012**

**Winter Dinner/Party** The annual CVSR Dinner/Party was a resounding success once again! Everyone who committed to the event came making the attendance 28 club members and their spouses. We thus did not have to pay out of the Treasury for “non-attenders”. Thank you! The food was very good at 58 Main Restaurant in Jeffersonville where we have been for other Dinner/Parties in the past as well. The Awards Presentation was excellent as well with the following awards given out:

**The Bright idea Award** from Harold to Dan. This is a rotating trophy of a headlight on a wooden box with the winner’s name for that year added to those of previous years. Art also gave Dan a Bright Idea plaque for him to keep permanently.

**The Builder’s Award** from Tim to Dan. Also a rotating mounted model car trophy.

**Machinist in a Minute Award** from Tim to Bob Landry.

**Positively Negative Caster Award** from Tim to Bob Brunette.

**Make a Wish Award** from Tim to Bob Landry.

**Parts Pickin’ Pal Award** from Tim to Dan.

**Bringing the family Together Award** from Tim to Dave.

**Portable Air Compressor Award** (cartoon) from Matt to Bob B.

**Shake Rattle and Roll Award** (cartoon) from Matt to Art.

**1938 License Plates**, refurbished and painted from Matt to Bob B.

**Back to the Lathe** paper plate award from Art to Bob B.

**Somethin’s Fishy** paper plate award from Art to Don.

**The Elusive Washer** paper plate award from Art to Harold.

**The Just a Little Squirt** paper plate award from Art to himself.

**Environmental (no more Mercury) Award** from Dan to Larry.

**Album and Handcuffs** from Dan to Art.

**Hat and shirt (Barrett-Jackson)** from Tim and Dan to Dave.

**Bad Ass Buick Award** from Tim to Jan.

**Are You Asleep? Award** (cartoon by Matt) from Bob B. to Art

**Project '56 Pickup** The '56 Chevy pickup is now at Anderson's Auto Glass. Karl will put in the new "windwings" and new side glass with the appropriate gaskets and channels. This job should be done by midweek of next week. The truck may go back to Art's for speedometer and turn signal work depending on the time it takes for the glass work to be done. Stay tuned for news of the completion of our club's participation in this project. We might have some sort of "ceremony" of turning the truck back to Irene and explaining what we have done.

**Next Meeting** The Dinner/Party served as the March meeting as we had a brief business meeting after the dinner. Dan has arranged for us to go for a visit on **April 21 to Airgas in Williston**. This is a Saturday morning so we will meet there at **10 AM** and they will show us around the business and explain what they do. Then perhaps out to lunch. We will then go to two meetings a month at members' homes for the summer. To get to Airgas go to Route 2 in Williston. Turn off Route 2 onto So. Brownell Road and proceed south to Marshall Avenue. Turn right onto Marshall Avenue and then left onto Boyer Circle. Take the next left and it is just a short distance on the left and is toward the back of a building. ( I don't think I can get a map in this newsletter for e-mail transmission!)

**Summer Events Committee** Harold, Dan, Stan, Bob B. and Art have volunteered to be on this spring's summer Events Committee. We could use a couple more people on this committee with good ideas about what to do this summer as a club. The meeting will be at Art's on Monday April 2 at 7 PM. Call Art if you would like to volunteer to be on this committee...or just show up!
