

**April 1, 2015**

**CVSR Annual Brunch and Party.** Once again CVSR had their annual Brunch at 158 Main in Jeffersonville on Saturday March 14. 13 members and 8 spouses enjoyed the breakfast and award presentations.

The Bright Idea Award will be presented later as the recipient was not present.

The Builders award will be presented later as the presenter was not present.

Larry presented paper plate awards:

The Double Woof Award to Don (For getting a second dog)

The Tandem Terminator Award to Don (For buying and rebuilding a trailer)

The '46 Ford Finisher Award to Stan (For nearing completion of his pickup)

The Artsy Chair Award to Art (For painting folding chairs for Tyler family)

The Tardy Tool Award to Tim (For not yet picking up his tools from Larry)

Art presented paper plate awards:

Excuses Excuses Award to Marion (A good reason to get a new car!)

Excuses Excuses Award to Larry (A good reason to get a new pool!)

Excuses Excuses Award to Matt (A good reason to keep from doing body work)

The Greatest Trip Award to Gabe (For organizing trip to Terry Magnan's)

**Visit to Quintin Brothers Auto and Performance** We are all set for our visit to Quintin Brothers Automotive and Performance in Williston this **Saturday March 28**. Their business is located at **1028 South Brownell Road in Williston**. We went to their former building over eleven years ago so it will be interesting to visit their new place. It is just off Williston Road a quarter mile or so on the right. We will meet at **10 AM**. We will go to lunch afterward of course! There are several eating places at Maple Tree Place or back toward Burlington on Williston Road or toward Essex. We are also invited to a party put on by Quintin

Brothers there at the shop at 3 PM. This party is for their employees, customers and us. While there check out the beautiful mural (shown above) that is in the front entryway.

**Larry and Sharon's Party** The Tylers will be celebrating their 50<sup>th</sup> wedding anniversary and have invited CVSR members and spouses to attend. The date is **Sunday August 9, 2015**. Although it is some time away we can look forward to a good time with plenty of eats and a gathering of good people with equally fine conversation and congratulations to the happy couple! It is catered so Larry and Sharon can enjoy the day without preparing food.

**Car Show Revival** Harold has noticed an announcement of the resurrection of the Classic Auto Festival that was previously put on at Shelburne Museum by the Vermont Auto Enthusiasts. This is good news to many auto folks as the show was quite popular and successful when they last had it nine years ago. The date is **June 5 thru 7 2015**. Here is part of the flyer that is out:

*Come see the new exhibits and new educational center that have been added since the last show. A larger selection of vehicles is encouraged to participate. A special display of Cadillac's of all years and models will be a focus as a tribute to Henry Leland, Vermonter and founder of Cadillac.*

**Upcoming Meetings** We are in sort of a crisis as we don't have anyone volunteering as yet to host club meetings in April and May. With the cold weather at this time perhaps unheated garages or other weather related facts are keeping us from hosting. We must line up at least three places when we meet at Quintin Brothers this Saturday. It will be a kind of "catch 22" if we can't find an April meeting place as it will be difficult to get one in the future because the planning is generally done at the meetings. Please think about hosting. No doubt it will be getting warmer real soon. The March 28 meeting will count as the first April meeting so the next meeting will be **Tuesday night April 21**. Meetings in May and throughout the summer are the first and third Tuesdays of each month.
