- **July 7 Club Picnic** Many thanks to Jan and Linda for yet again another nice July picnic at their place. There was a threat of rain so it was inside the double garage and that worked out pretty well. Many in attendance, lots of good things to eat and some fancy “bench racing”.
  - **Trip to Devil's Bowl** Our trip to Devil's Bowl on July 4 was quite successful with several club cars going down. The races were very good with several classes of race cars and lots of dirt thrown up here and there! More than a half dozen roll-overs too! The fireworks were fantastic! There was even more racing after the fireworks so some of us didn't get home and to bed until after 3 AM!
- 
- **G.Stone Motors Car Show** Eight club members' cars cruised to the second annual G.Stone Motors Car Show on Saturday July 25. First things first though as we all stopped at Rosie's Restaurant in Middlebury for breakfast. The show was pretty good with lots of cars in attendance including motorcycles and Gardner Stone's *The General* tractor pull tractor. We doubled our fun by stopping at the Shelburne Museum on the way home. The round barn had an exhibit of motorcycles featuring a floor of exotic custom bikes. There was also a show put on by two bike riders going over a huge ramp and performing stunts.
  - **Ken Hoadley's stock car** Our CVSR member Ken Hoadley has been racing his stock car lately at Waterford Vermont's Northeastern Speedway. No word on how he is doing but by the looks of his car he probably is doing quite well.

- **Ticonderoga Car Show** Most of you should get this in time to join several members and go to the Antique and Classic Car Show in Ticonderoga this Sunday August 2. Meet at Stan's at 8 AM. Breakfast at the Bridge Restaurant, then on to the show.
- **Army Guard Show** Our club has been invited to show off our cars at the upcoming Vermont Army Guard get-together on Saturday September 12 at Camp Johnson. The following have shown an interest in participating: Larry, Art, Paul, Don, Glenn and Gabe.
- **CARS Program** (Car Allowance Rebate System) You probably are aware of the new government sponsored CARS program. Lots of advertising on the TV. Although the trade in cars must be less than 25 years old, one of the cars shown is a clunker '57 Chevy! We'll give you a new car for it!
