

**August 1, 2016**

**The next three club meetings.**

**Tuesday Aug 2 A&W in Middlebury.** This is a relaxed get together to have something to eat and show off our cars. Meet at 6 PM or come as soon after that as you can.

**Tuesday Aug 16 Art Stultz's in Colchester**

**Tuesday Sept 6 Larry Tyler's**

**Swanton Car Show.** The annual big Swanton Car Show is this Saturday, July 30. Weather report says it will not be too hot. The cars will probably be pretty hot though so you'd better go to the show. It is usually pretty well attended so arrive early to get a parking space. The show starts at 9 AM and runs to 2:30 PM and is located on the green in Swanton.

**Burnham Car Show.** This little car show was held this past Saturday at the Burnham Library in Colchester. The VAE had almost a dozen cars including a Locomobile, a Whippet and some Model A Fords. An "outsider" had a red '32 Ford street rod in there too!

**Insurance.** Our club insurance has been paid for another year. This insurance covers us for the Rod Repair Shop and (don't forget!) what misfortune may come our way at other club events and meetings.

**August and September Shows.**

**Every Wednesday.** Wednesday night Cruise-In at the Essex Big Lots Parking lot in Essex Junction on Pearl Street. 5:30 to?

**Cars and Coffee** Third Saturday of each month at the Community Bible Church on Williston Road. 7-9 AM.

**CVSR 35<sup>th</sup> Anniversary Picnic.** The picnic will be held at Larry and Sharon's on Saturday September 24. Please come to the meetings before this date as we have some planning to do for the Picnic and /or to inform everyone about this event. We would like to make a list of those who plan to come so we can arrange for the amount of food to get.

**Club tools and equipment.** Things are shaping up real well with the Club Tool Box and arrangements for yearly bringing of tools and equipment to the Northeast Street Rod Nationals. Gary will be working on the new plan for reminding club members of what to loan for that big weekend. Please come to the meeting Aug 16 at Art's to help get this done.

**E Mailing Club Members.** Sometimes a club member would like to send something to all the other members. The easiest way to do this is to save the latest newsletter, click on "forward", put your message in the proper space and delete anything about the newsletter. Then hit send.
