- **Shortest Newsletter**. This may be the shortest newsletter ever since there isn't much going on as the Christmas season commences. We hope everyone is busy on their cars doing some serious upgrades as winter projects. It seems like there is always something to do on our cars. Bob Landry is continuing on his Factory Five street rod. Jan is continuing on his '41 Buick, Dan on his '49 Chevy, Brian on his Street Beast, Art has a dozen things to do on his '55 and surely others are deep into upgrades or new projects. Let's Keep 'em goin'!
- **Election of Officers**. The election of CVSR officers for the upcoming year 2010-2011 was held at the November meeting at Gary Bruening's

- **Potential December Club Meeting** Harold has been working on a visit to Vermont SportsCar in Colchester but as yet has not secured a firm date. When we have a date and location firmed up we will e-mail or call all club members and let them know. It is possible that there will not be a December meeting at all.

- **Winter Events** The January meeting is being arranged by Dan for a visit to Green Mountain Foam in Underhill. Plans for this visit are coming together pretty well. The committee is also working on:

Trip to Flatiron Racing-Colchester
Annual Dinner/Party

- **Sad News** Our condolences to Kookie and Harold Douse for the loss of her son, Jamie Jones who passed away as a result of an auto accident on November 21.
- **Bob is Settin' the Pace** Our Bob Brunette had a pacemaker installed this past Tuesday and is back home and doing well. He says his heart rate is up and his feet are warmer so it looks like he will be back to stacking wood and building his cars soon!
- **Dues due**. The annual dues for club members are now due as we pay our dues on a yearly basis from November to November. Please get your dues in to our new Treasurer, Dan Sargent.
- **Streetscene Magazine** The official magazine of the NSRA has quite an extensive write-up of the 2010 Northeast Street Rod Nationals *plus* in the November issue. Even the cover has a picture of the fairgrounds with the grandstands and many nice cars.
