

February 1, 2013

January Club Meeting We had a fine trip to New Haven on Saturday morning January 12. Many CVSR members and spouses met Stan at Aubuchon Hardware in Vergennes and he then escorted us to Donny Clark's shop. Donny, a former member of our club has a business in Brewer's Grain and Organic Feed. He does lots of machine shop type work as well in support of his business including plasma cutting. He demonstrated his huge computerized plasma cutter by cutting out our logo of "CVSR Since 1981" in sheet steel. After the demonstration and a tour of his shop and business we adjourned to Middlebury for lunch at Rosie's Restaurant.

February Meeting. We are all set for our February club meeting. It will be held **Saturday morning February 9 at Vermont Custom Auto in South Burlington at 10 AM.** The owner of the business, Mike Burnham will show us around the facility where he and about nine mechanics and technicians rebuild street rods and customs as well as do general repair. He does painting, upholstery and exhaust bending as well. We will see several Classic Chevys as well as Model A's and pickups under construction.

Vermont Custom Auto is in the same building as Adam Routhier's Sandblasting used to be. We took a trip there several years ago. The address is 91 Ethan Allen Drive which is in the industrial complex north of the airport. Go to St. Michael's College then over the bridge on Lime Kiln Road then bear left at the sharp right turn and go almost to the end of Ethan Allen Drive and turn right.

Check out the business at www.VTCUSTOMAUTO.com

So...this meeting and visit is this coming Saturday. Hope to see you there!

Other Winter Meetings The March club meeting is pretty well set for a trip to RPM in Georgia The March newsletter will have the details.

Midwinter Party At the January meeting there was a brief discussion about the Midwinter Dinner and Party. Everyone seemed pretty happy with returning to 158 Main in Jeffersonville. We will be setting the date soon.

Fellow Pages We are all set with the NSRA Fellow Pages for the upcoming year. Our club members' names and phone numbers have been sent in so they should be in the latest edition of Fellow Pages which comes out about May.

Club Dues If you have not paid your club dues for the 2012 to October 2013 date please send them to Dan or give them to a club officer at the January meeting coming up.
