

**February 1, 2014**

**January Club Meeting** We had an excellent club meeting/visit on January 11 at Gary Fiske's in Enosburgh Falls. Gary has quite an impressive stable of many cars, a couple of them finished and many being worked on. He has a Model A and a T and several Franklins and Dodges in the teens and twenties. His facility sports a nice lift, dual air compressors, sand blast cabinet, milling machine, lathe and lots of room. Gary is the editor of Wheel Tracks, the publication of the Vermont Automobile Enthusiasts so he may be writing an article about our club. This will also give us better contact with VAE and perhaps in the future we can combine activities of our two clubs. After the meeting most of us went to a nice restaurant in Enosburgh Falls. Thanks go out to Gabe for arranging this meeting.

**Midwinter Dinner/Party** This year's event is still in the planning stage. We generally like 158 Main Street in Jeffersonville where we have been several times since it has a nice meeting place which we can have all to ourselves. Matt has been working on the menu and prices. The menu could be similar to last year with beef, chicken and lasagna which would offer everyone those

several main meat choices. There will be a modification to last year's vegetable.

Matt has also looked into the Catamount Country Club but this location would not have a Saturday night date for us in March. The middle of the week probably would not work for us. Apollo in Milton still doesn't seem to offer a good enough room for us. JP's in Essex where we have been before will serve us on a Saturday night at a 40 person minimum and \$75 room rental fee.

**February Meeting** Don has been working hard on a meeting at another place again in the Enosburgh area but it doesn't look like it will materialize in time for a February meeting/visit there. The fellow is very busy with lots of projects which include fixing up damage from the ice we had awhile ago. So...we will therefore fall back to a meeting at **Matt FitzGerald's** in **Fairfax**. The meeting will be **Tuesday night February 11 at 7 PM**. Note that this is not the first Tuesday of the month but the second. This should not matter in general. The big subject of the meeting will be the annual Midwinter Dinner/Party. We can talk over the proposed 158 Main menu, cost of same and of course whether this location is where we want to go. We certainly invite anyone to explore the possibility of going somewhere else this year. If you have any suggestions please look into it before the meeting and come armed with what this place will offer. We also will work on where to hold upcoming meetings. If we have a March dinner party this will serve as the meeting. If not we will entertain thoughts about where else to go for March.

**Gary's email** The club membership list was recently distributed. There were no responses of errors except for Gary's email address at work. It is GBruenin@uvm.edu. Note that there is no g at the end of his name. Please make a note of it.

Fenders or no fenders?

Part II

Just a rhetorical question!
