Happy New Year!

- **Happy New Year!** A sincere Happy New Year to all the CVSR Community! That is, club members, their spouses, friends and acquaintances that we come in contact with throughout the year while sharing our common interest in street rods, customs and anything special on wheels. These folks include those in other street rod clubs, the hosts of our winter meetings, and those who put on car shows and rod runs across the nation. NSRA thanks us for our part at several National shows. Streetrodding is not only centered on our cars but greatly involves kind and generous people whom we appreciate associating with. Streetrodding brings us together to enjoy friendships at meetings, restaurant meals, picnics, Dunkin Donuts and repair shops and garages to build cars and enjoy “bench racing”. May the upcoming year continue to foster the spirit of the sport as well as the cars themselves.
- **January Meeting** The January 2011 CVSR Meeting will be a visit to Green Mountain Foam Products. The get-together will be on **Saturday morning January 8 at 10 AM**. Green Mountain Foam Products is on Route 15 in Underhill across from the Underhill/Jericho Fire Station. We can decide where to go for lunch afterward. Perhaps the closest place that could accommodate our group is The Hoagie Hut in Essex Center. Dan Sargent made the arrangements for this meeting/visit.
- **Winter Events** Other meetings/visits that are on tap for the remainder of the winter are:
 - Trip to Vermont SportCar (Subaru Rally Cars)
 - Lesson on the club website-Tim
 - Trip to Rob Russin’s new shop-Cambridge
 - Trip to Flatiron Racing-Colchester
 - Annual Dinner/Party

- **Dues past due.** The annual dues for club members were due on November 1st. Please take care of this ASAP so we can get the books all squared away. Dan Sargent is our new Treasurer.
- **Christmas Cards.** The club got very nice Christmas cards from Dave and Penny Wrightington who are Newsletter Members of our club and Dick Japhet of Vermont Sportswear.
- **Thirty Year Anniversary** Harold reminds us of plans for the possibility of a Thirty Year Anniversary of CVSR. (1981-2011) We are open to suggestions of whether to hold a celebration or not and if so just what should that celebration entail. Some suggestions are to have a picnic or dinner and invite all the former club members and spouses that we have mailing addresses for. A picnic could involve the NSRA Appreciation Day and invite any street rodder to come to the picnic and receive an NSRA button and have their car safety inspected by Everett Peyrat and the present state Safety Inspector, Peter Davis. We could have special tee shirts made up.
- **Anything sells.** Harold tells us: "I put one of my King Midgets on eBay for the 3rd or 4th time and it sold! Yeah! Doin' the happy dance!" Congratulations, Harold!
