- **June Club Meetings** We had pretty good attendance at both of the June club meetings. We've been to Gabe's several times but haven't been to Tim's for quite awhile. There were cruises for ice cream at both meetings. Now that summer is in full swing we ought to have more cruises at our summer meetings!
- **CVSR Thirty Year Anniversary** The plans are coming along well for the club's Thirty Year Anniversary event in August. We will be getting more and more serious at the upcoming meetings as we get closer and closer to the date of August 21. We must get the invitations out, plan for just what events we will have and name heads of each event to see that they get done. Such events we might consider are the meal, parking cars, displaying old photos, introduction of former members, games, prizes, NSRA inspections, NSRA Appreciation Day, music, "sign a fender" 50/50 and perhaps more. We must make a final commitment to the above events if we are going to have them. We will be doing a lot of the above at **Harold's at the July 5 meeting** so be sure to attend as we need lots of help with this event which should be a good one! We would like to place an order for 30 tee shirts (we are presently at 19) so please order a shirt or two! If you won't be attending meetings but would like a shirt please contact Harold. We have one design submitted to the club from a vendor as of now which looks pretty good. We are waiting for a price on same so should the price be good we are assured of having nice shirts for the event.

- **Lone Pine and Libby's Car Shows** The car shows held at Lone Pine Campgrounds on June 4 and at Libby's Restaurant on June 18 were quite successful with plenty of cars in attendance and several of our members were at the shows as well.
- **Devil's Bowl Cruise** Our club has gone to Devil's Bowl in Fair Haven the past several years for the Fourth of July racing and fireworks. This seems to be quite popular so we will do it again this year! The races start at 6 PM on Sunday July 3 so those interested in going meet at Stan Morrow's in North Ferrisburgh at 4:30. The group will probably stop along the way to eat. The Regulator and web site has had the date as July 4 but note that it is July 3 (Sunday) Rain date is July 4<sup>th</sup>.
