Club meeting June 16 The meeting at Matt's on June 16 was not too well attended. Perhaps it is because it was not determined to meet there until a late date. Maybe it was that folks were busy with the many summer activities. Hopefully we will see more of you at the next meeting coming up this coming Tuesday July 7.

Airborne Speedway There was some talk of club members attending the races at Airborne in Plattsburgh this Saturday. Nothing was determined about meeting times, etc. so those that want to go as a group please contact Larry or Stan.

Upcoming Club Meetings Since there were five Tuesdays in June we did not have a meeting on Tuesday June 30.

July 7 (Tuesday) Dan Sargent's in Swanton

July 21 (Tuesday) Don Sullivan's in Swanton

Aug 4 (Tuesday) A/W Root Beer in Middlebury

Aug 18 (Tuesday) To be determined

Jackets etc. We have been getting the word out about ordering apparel from Dick Japhet who supplies us with apparel with the club logo. We have decided to get the order in soon after the meeting at Dan's on July 7. Please bring in your apparel order to the July 7 meeting and we will get the totals in to Dick shortly after. If you do not attend the July meeting and want to place an order call Art at 879-7283. Those with the Internet can go to:

www.companycasuals.com/vtsportswear

and pick out what you want. If you don't have an order form simply write it down and submit it.

Charlie's Car Sold Former club member Charlie Richer has sold his '37 Plymouth street rod. He got nearly the amount he was asking.

VSAC Scholarship Change. The club recently took a vote to change the scholarship eligibility from recently graduating high school seniors to anyone seeking a scholarship to a college or tech school for an education in the automotive trades. In this way those who have been out of school for awhile can apply as well as those seeking the scholarship to further their education after their first year of college or tech school.

Shelburne Museum Car Show Bob Brunette reports that the Car Show at Shelburne Museum was very successful. The show featured 25-30 Cadillacs from across the age spectrum. Since Bob owns two Cadillacs he entered one of them in the exhibit. Stan, Harold and Chet and Connie from our club as well as former member Jan Hemsted attended.

Apple Island Tool Museum Gloria tells us about a tool museum at Apple Island which is a campground just north of the causeway and Sandbar State Park. Perhaps we can go there some Saturday and check it out. It is open on Saturdays 10-1.

Welcome Jim Hartman The club welcomes a new member to the club! Jim Hartman of Swanton was accepted into the club at the recent meeting at Matt's. Jim works with Dan Sargent. He has a '70 Dodge Challenger and a '69 Chevy C-10. Welcome, Jim!
