- **Trip to Junk Yard** A half dozen club members and guests enjoyed a trip to Bill White's Automotive Junkyard in Huntington on Saturday morning May 22. Jim Rogers of the Vermont Street Rodders attended as well. There were quite a few cars worthy of the road (with lots of work!) and there were many parts as well. The group also went to John Parker's place which was nearby. John has a vast collection of newer and older cars he has collected over the years. From there they went to Papa Nick's Restaurant in Hinesburg, departing there a bit after 2 PM. Some of the group went to Ferrisburgh to check out a Jeep wagon street rod that was for sale. Quite a busy day!
