

June 1, 2012

Things are Heating Up! Yes, the weather is getting warmer as June approaches and along with that our club has plenty to do this summer. Most of last year's non-club events are being repeated and our club events committee has been working hard on repeat and new things for us to do. As usual we welcome ideas from anyone about what to do and what places to go to.

Rustic Auto Parts The trip to Rustic Auto Parts in Peru NY was quite a success with eight club members plus a friend of Stan's cruising on over across the lake on Saturday morning May 19. Harold says: There were a fair number of cars from '40's on up...only a scattering of older vehicles left. The owner is still committed to saving as much older stuff as possible and had perhaps 30 or so cars that were mostly complete, restorable vehicles. A neat old Buick Electra 225 ragtop got our attention as well as a '54 Hemi Dodge sedan, low mileage Hudson, cherry looking late model Caddy 2 door, an early Chevelle that might run and more! Down in the woods were several potential street rods such as a fastback Pontiac from the 40's and two or three Ford sedans. I like small weird cars and spotted a couple of Crosley wagons and two early Honda Civics. We got there a little after 9 and left at noon. What a nice way to spend the day!

Upcoming Club Events

June 5 CVSR Meeting at Harold's in Milton

June 19 CVSR Club Meeting TBA

June 23 CVSR Cruise to the **Precision Museum** in Windsor. This is a repeat cruise that was very interesting last time. We may combine this with a visit to Farmway in Bradford and/or King Arthur Flour in Norwich.

August 25 CVSR Scavenger Run Trial

Sept 30 CVSR Fall Party at Larry's

October 12 OMYA Tour in Middlebury

Sometime this summer Another trip to Paya's Used Cars in Williston with a special display of our cars plus maybe hot dogs, etc. and maybe a trip from there to the Paya's in Essex to see their yard and

shops. This was originally scheduled for this coming Saturday but the weather doesn't look good. 60% chance of rain. Stay tuned.

June Events

June 1-2-3 NSRA Nats East, York PA

June 2 Lone Pine Car Show, Colchester

June 5 **CVSR Meeting at Harold's**

June 9-10 Dorr Farm Car Show, Manchester VT

June 15-16-17 Great Adirondacks Car Show, Plattsburgh NY

June 15-16-17 Goodguys Car Show, Eastern States Exposition, West Springfield MA

June 16 Heaven on Wheels Car Show, Community Bible Church, South Burlington 9AM-1PM

June 16 Athens Restaurant Car Show, Colchester 4-8:30

June 19 **CVSR Club Meeting**

June 23 **CVSR Cruise to the Precision Museum in Windsor**

June 16 Events. You will note above that there seems to be a conflict with two local events on Saturday June 16. Checking the times however you can take in both events as the Heaven on Wheels Show is essentially in the morning and the Athens Car Show is in the late afternoon into the early evening. You can keep busy that day for sure!

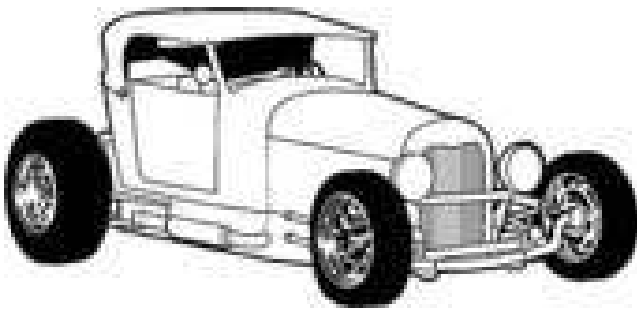

Bayview Eats Cruise-In Word is being passed around that there is a Cruise-In starting up at **Bayview Eats** in Malletts Bay. (corner of Blakely Rd and Lakeshore Dr) It seems to be working out for Thursday evenings starting at 5 PM. There might be music, food (sandwiches, drinks, ice cream, etc.) There is also a burger stand right next door that will be open too. There is not quite as much room as Essex Automotive, but perhaps enough. The view is fantastic overlooking the lake. There is a large patio if people want to sit down. It's a pretty busy intersection in the summer so people stop and look at the cars. Thursday night May 24 there were about 16 cars including muscle cars, antiques and a couple of rods. There was room for a lot more. There should be more news coming out about this soon. This appears to be taking place of the Essex Automotive Cruise-In with Wayne Groth the disk jockey involved.
