Chet Hawkins We welcome Chet back as a member of our club! Chet was one of the original "core members" of the club back in 1981 along with Stan and Jan. He was out of CVSR for a number of years while he served as town clerk of Ferrisburgh. He has retired and has more time so has rejoined our club. It is great to have him back!

Street Rod Stamps I have received word through the NSRA that there will be a limited edition street rod "forever" postage stamp released to the public soon. The release will be by way of a ceremony to be held at the NSRA Nats East *plus* show in York PA coming up the weekend of June 6-7-8.

Web site renewed CVSR members present at the May 6 meeting voted to renew our web site www.champlainvalleystreetrodders.com .We can continue to enjoy checking out the site now and then and receiving correspondence from those outside the club who also keep tabs on our club. We thank Tim for continuing to keep the site up to date.

Cruise to Guma's Our club has made at least two trips to Guma's Restaurant in West Chazy NY in the past. This is a nice restaurant in "log cabin style" that has home-style meals at a reasonable price. It is pretty easy to get to with good roads and nice scenery. We are planning a trip once again to Guma's on Saturday June 21. Meet at 10:30 AM at Maplefield's at Exit 17 of Interstate 89 which is between Colchester and Milton. Those planning to go at this time are Bob and Gloria, Art and Marion, Bob and Janet and George and Linda. We will have two more meetings before this cruise so if you would like to go please let us know your intentions at a meeting or let someone who is going know so we will be sure to include you as attendees.

The staff at Guma's

Scholarship Coordinator The club is looking for someone to take over for Jan as the coordinator for the Scholarship Committee. We have been working with VSAC for quite awhile now awarding a yearly \$500 scholarship to a high school graduate going on to a college or tech center for training in the automotive field. It is a fairly easy job so if you are interested please let us know soon so you can get together with Jan and learn just what to do. (Jan may be leaving town and moving south some time.)
