Upcoming Club Meetings:

June 2 (Tuesday) Bob Brunette's in Fletcher

June 16 (Tuesday) Matt's in Fairfax (this is tentative).

Visit to RPM The visit to RPM in Vergennes on Saturday May 23 went very well. We met at Stan's and then cruised the short drive to RPM. Eight club members, two wives and two guests attended. The owner, Peter Markowski has a most awesome display of vehicles mainly Italian sports cars but lots of other cars that are being built, repaired, modified or waiting for parts, sale or pickup. There are about seven employees total that keep busy with the many cars and jobs to be done on them. They have a fairly new body and paint shop. There have been quite a few changes at RPM since we last visited in January of 2005.

May Club Trip

May 30 Champlain Transportation Museum and Guma's Restaurant. The following indicated at the May 5 meeting that they plan to go on the trip Saturday May 30 to New York State: Larry- Stan- Matt- Jim- George- Art- Bob B. (George recently found he cannot attend). Anyone else is welcome to attend of course. Meet at the Grande Isle Ferry dock this Saturday between 9 and 9:30 and we will try to get on the ferry as a group. We will then proceed to the Transportation Museum, have a visit and then go to Guma's in West Chazy. The address of the Museum is 12 Museum Way which is in or near the Plattsburgh Air base complex. Guma's Restaurant is at 7577 NY 22 on the south east corner with Atwood Road.

Jackets etc. Art sent a Vermont Sportswear email address to those who have email. He also gave Stan the catalog to look at and then give to someone else when finished. Dick Japhet says he can get us 20 patches for \$6.00 each. Get your requests written down and at a future meeting we will decide how to proceed from there.

Heaven on Wheels Car Show

Here is a message received by email:

We are pleased to announce we are having our 5th Annual Heaven on Wheels car show. This year we will meet on Saturday June 20th from 9am-2pm at Community Bible Church in South Burlington. We want to thank you for your help in past years, you have made it possible for us to reach our 5th year and beyond. I would ask your help again this year in promoting our event. Could you please add our car show to your clubs calendar and add our flyer information too if you have room during printing.

Each year we have grown and again we thank you for your support. We look forward to seeing you in June.

Wednesday and Thursday night Cruise-Ins

Here is another message from Steve Bullis, a Burlington "car guy":

Hope everyone is able to bring themselves, friends and their cool cars to both of these weekly events starting on Wednesday at the Elks Club on North Avenue, followed by Thursday outside Mike's Auto Parts in Malletts Bay. The Elks will have an outdoor grill for hamburgers and hot dogs and drinks will also be available. Pizza and other Italian specialties from the New York Pizza Oven and items such as sandwiches from Dick Mazza's store will be available on Thursday. Bring chairs for Thursday. Both cruise nights should start around 6 PM.
