

**March 1, 2010**

- **February Club Meeting** Eighteen club members, spouses and relatives had an excellent visit to Mike LeMire's Upholstery Shop in Richmond on the evening of February 16. Mike is a very experienced and well respected auto upholsterer who has done interiors in many million-dollar-plus cars all over the nation. Mike showed us around his shop, told us how he got started in the business and how he makes contacts with would-be clients.
- **Next Club Meeting** Our March meeting will be at Vermont Engine Service on the evening of March 16. VES is located at 16 Krupp Drive in Williston. From Route 2 in Williston turn south onto South Brownell Road. Go about a block and turn right on to Shunpike Road. Go another block. VES is on the corner on your left.

- **Winter Meetings and Events** .

**March 16-** Vermont Engine Service

**March 20-** Annual Club Dinner/Party at 158 Main Street Restaurant in Jeffersonville.

**April-** Jim Ricker's Shop in Colchester. This meeting is tentatively scheduled. If it is toward the beginning of the month there will probably be a second April meeting. If later it may be the only April meeting.

**May-June** Be thinking about volunteering to host a meeting for one of the four meetings in these months.

- **Club Plaques** The club plaques have been decorated. Some were picked up at the February meeting and the rest will be brought to the March meeting.
- **Dinner/Party** The 2010 edition of the club dinner/party has been confirmed. Bob Brunette has diligently worked on several places to go and the club decided at the February meeting that we should go to 158 Main Street Restaurant in Jeffersonville. Here are the particulars:

Date: Saturday evening March 20, 2010

Time: Bench racing at 6:30, meal at 7:00. Presentations following the meal.

Cost: \$5.00 per person, member and spouse or guest, rest absorbed by the Treasury.

Meal: Buffet style

Cheese and crackers

Soup or salad

Prime rib station, carved to order

Potatoes

Vegetable

Chicken Fricassee

Lasagna

Shrimp and Scallops

Dessert and coffee

Booze and soda the responsibility of each person

Directions: Go to Jeffersonville on Route 15. At the gas station/convenience store where we usually have a Poker Run draw site go east about three blocks into Jeffersonville proper on Church St. Take a left on to Main St. Go north a couple of blocks and the restaurant will be on your right.

- **Fellow Pages** Our club members' names and phone numbers have been sent in to NSRA for inclusion in Fellow Pages. We are assuming that everyone in our club who is called by a fellow street rodder in trouble will help them out. This has actually happened in the past and some of our club members have used it when in trouble.

- **Paul Daigle** We are sorry to have to report that a member of our club passed away from cancer on February 17. Paul Daigle, 52 of Georgia joined our club in April of last year. He often expressed how he wished he had joined the club much sooner as it gave him a much needed distraction from being sick. Eight club members and two spouses attended his visiting hours on Sunday February 21 at the Minor Funeral Home in Milton.

Dan Nolin, a brother of former member Drew Nolin is promoting a group project to help further the building of Paul's '56 Chevy pickup truck which will be used for a burial ceremony later this spring. We have eight club members interested at the moment. Anyone else that would like to volunteer please contact Art Stultz. More information will be forthcoming.

Our club has lost at least three former club members: Harry Rathburn who was the first President, Ken Bucklin who served several terms as President, and Steve Cushing.
