

**March 1, 2011**

- February Meeting** The February 2011 CVSR Meeting was held at the University of Vermont in the Patrick Gym complex this past Saturday morning. Nine members and two spouses attended. Gary was our host as he is a professor there in the building. He helped Tim set up a presentation of our Web Site, ChamplainValleyStreetrodders.com. After the business meeting Tim did a great job of presenting all the capabilities of our web site which should help us maneuver around the site which is very professionally set up and operated. After some bagels and coffee Gary showed us around the Patrick/Gutterson complex which is an awesome site for the students at UVM. Thanks go out to Gary and Tim for their efforts. Afterwards several of us went out to lunch at Libby's Diner.

- Scavenger Run and Rod Repair Shop.** The Scavenger Run Committee has updated the Run plans to make it operate better and be easier to determine the winner. We voted to present the \$100 gas card again. Tim sent off the suggestions of changes to Frank Sloup so he can advertise it in Streetscene Magazine.

- March Meeting/Dinner/Party** We will have our annual Dinner/Party once again at **158 Main Street Restaurant** in Jeffersonville. The date is **Saturday night March 26**. Be there at 5:30 or so if you want a drink and would like to bench race a bit. We eat at 6 PM. The meal is a \$25 meal. We will each put in \$7.00 per person with the treasury picking up the rest. As usual each member can bring a guest. So...let's be working on the annual presentations such as Paper Plate Awards, Bright Idea Award, Builders Award and the others. This will be the only meeting in March. If there is any business to conduct that evening it will probably be brief.

- **Upcoming Club Meetings** We are in need of meeting places for upcoming April and May meetings. We have no places secured at the moment so if you would like to volunteer your place for one of the two meetings in April or one of the two in May it would be appreciated.
- **Summer Events Committee** We will once again be having a Summer Events Committee Meeting some time soon, probably in April. We will be looking for members to volunteer for this committee and we will be looking for places to go to and things to do this summer. Be thinking about this and consider helping us out with this annual task.
