Annual Club Dinner and Party Everyone who attended the annual CVSR Dinner and Party seemed to enjoy themselves as usual. 22 Members, spouses and guests attended the event on Saturday night April 13 at 158 Main Street in Jeffersonville where we have been several times before. After an excellent meal we had a very short meeting and then members gave out lots of great awards including the annual rotating Bright Idea and Builder's Awards and lots of paper plate awards. Names were drawn for five decorated metal plaques provided by Donnie Clark, a former member of the club who hosted a visit and meeting of our club in January.

Bright Idea Award from Dan to Bob B.: (Sold his Camaro convertible)

Builder's Award: Dan to Matt. (Changed to "Get Building Award")

Harold to Art: New Math Award

Harold to Tim: Silver Plate #1 Award.

Harold to Dan: Silver Plate #2 Award

Bob B. to Joe: Conversion Award

Bob B. to Art: Revenge is Sweet Award (Newly designated rotating award for those who run out of gas!)

Dan to Tim: No Job is Too Small Award

Dan to Art: Low tech Gas Gauge for Hi Tech Chevy Award

Larry to Donny: Golf Cart-Sally's Watering Wagon Award

Larry to Art: Trunk Artist Award

Art to Harold: Great Punctuation Award

Art to Bob B: Never Give Up Award

Art to Bob L: The Frog Wins Award

Art to Jan: Restless Wrench Award

Drawing for the Donnie Clark plaques:

Winners: Harold, Bob L., Art, Tim and Jan

Tim to Bob B. Horn Honkin' Cadillac Award

Tim to Art: Low Tech Gas Gauge Award

Tim to Art: Walkin' Tall Award

Tim to Art: Editor-in-Chief Award

Tim to Harold: Four More Years Award

Tim to Dan: Purple Pig Perfect Pair Award

Tim to Jan: Buick Lacks in Go Makes up in Low Award

Tim to Mary: Driving your Davey Award

Tim to Stan: Don't Know What He Was Shifting Award

Wow! Lots of awards...and lots of fun. Special recognition goes out to Tim for going "beyond the call of duty" with nine awards given out!

Summer Events: We still have no volunteers for a Summer Events Committee so perhaps we can "wing it" for a change and do some "spur of the moment" events and also go to many of the events offered each year by lots of other clubs and groups in the area.

Here are listings of some of the things we might want to do in May. Some of them are courtesy of Wayne Groth who was the D.J. at the Essex Automotive Wednesday night Cruise-Ins two years ago. Those marked with asterisks have been confirmed by way of flyers, etc. whereas others are listed in anticipation of the event being held again this year on the same respective weekend.

*Essex Automotive Wednesday Night Cruise-Ins**. There were no cruise-ins last year at this location but they're back again for this summer as insurance and food concessions (Sausage Shack) issues have apparently been resolved. First night was this week Wednesday May 1.

Thursday night cruise-in at Mallett's Bay. * Not sure which Thursday night it will start. It is scheduled to start up again though.

*May 3-6 Hudson River Valley Rhinebeck 2013 Car Show**. Dutchess County Fairgrounds, Rhinebeck, NY

Cars and Coffee of Vermont. May 18 Third Saturday of each month during the summer. South Burlington High School. 7 AM to 9 AM. This appears to be a new event to the area. There are many sponsors listed and it seems to be a national event that is just coming to this area.*

May 25-26 Champlain Valley Spring Nationals. Clinton County Fairgrounds, Plattsburgh, NY.

May 31-June 2 NSRA Street Rod Nationals East, York, PA.*

Summer Meeting Locations. We have places to hold our club meetings through the second meeting in June.

May 7 Don Sullivan

June 4 Harold Douse

May 21 Gabe Gagne

June 18 Tim Sargent

Newsletter Deliverance Your newsletter editor sends the newsletter out by e-mail both in the “body” of the newsletter as well as an attachment. It probably comes through better as an attachment so keep this in mind when you open it up each month. “Within the body” may cut off some aspects of it such as the heading logo.

See you all at Don’s this coming Tuesday and Gabe’s two weeks after that!
