

**November 1, 2009**

- **November 3 Meeting** We will meet on Tuesday Nov 3 at Gary Bruening's for the annual election of officers for the upcoming year. We nominated the following slate of candidates at the last Meeting at Larry Tyler's on Oct 20.

*President:* Harold Douse  
*Vice President:* Tim Sargent  
*Secretary:* Art Stultz  
*Treasurer:* Bob Brunette

There will be spaces on the ballot for write-in's

"This guy is not running..."

- **October Picnic** Thanks go out to Larry and Sharon and Donnie and Sally for all the work they did in putting on the October Picnic at the last meeting October 20. The spaghetti and meatballs and sauce were delicious and the bread, salad and desserts were excellent as well!
- **Winter Events Committee** The committee to select places to go to on meeting days or nights from December through April met this past Tuesday evening October 27. They tossed around lots of ideas and looked over the list of what we had done in the past. Here are the main ideas we came up with. We will try to have most of them on Saturdays but it depends on the host and whether he can host on a Saturday or Tuesday evening or some other time.

**December 1** This is definitely "a go" at a regular Tuesday night meeting. We will meet at Dan Sargent's in Swanton. Art will give us a repeat lesson on pinstriping. This lesson was given

in 1998 but since then there have been nine new members who might appreciate the demonstration. Bring a small item to have Art pinstripe if you want to. Items like a plain panel, small tool box or a toilet seat.

**January-** Milton Machine Shop

**February-** Mike LeMire's or Rick's Upholstery Shop

**March-** Vermont Engine Shop

**April-** Jim Ricker's Auto Shop

All of the above except the December meeting are un-confirmed. Members of the committee will be contacting the above shops so this is just a "wish list" and probably will be modified to some extent.

- **Club picnic** The annual club picnic at Bob and Gloria's on Sunday 27 was once again a great success. The weather was a bit "iffy" so the picnic was held inside one of Bob's garages. People brought lots of good food. Bill Auclair and his wife, street rodders from Troy came down. We then took a cruise to Newport where we had dessert under a gazebo roof at the waterfront on Lake Memphramagog. The trip back was a bit messy with a heavy rain.

- **Dues Due** Another year has passed so annual club dues are due. November 1 is the date so let's all try to get our dues to the Treasurer.
- **Glenn Turner** Glenn and Gin Turner have successfully sold their home in Essex Junction and moved to Tennessee. They are not quite settled there but their present address is:

Glenn Turner  
13 Palisades Pt  
Johnson City, TN 37601

**Champlain Valley Street Rodders**

336 Birchwood Drive  
Colchester, VT 05446
