

**November 1, 2010**

- **CVSR Meeting.** The next meeting is this coming Tuesday November 2 at Gary Bruening's. Get your voting out of the way and come out for a good meeting with lots of things to discuss and plan for.
- **Apparel Order.** The apparel order has been filled and will be brought to the Nov 2 meeting. If you have an idea of the amount you owe please bring cash or a check to give to Bob Brunette. The treasury has paid the full bill.
- **Winter Events Committee** Our Winter Events Committee met at Art's on Wednesday October 27. They came up with this tentative slate of Winter Events:
  - Trip to Green Mountain Foam, Underhill
  - Lesson on the club website-Tim
  - Trip to Rob Russin's new shop-Cambridge
  - Trip to Flatiron Racing-Colchester
  - Annual Dinner/Party Committee suggests revisiting 158 Main in Jeffersonville
- **New Officers** There were only seven members at the October 19 CVSR Meeting so the nominations for officers for the upcoming fiscal year was tabled. We will take nominations at the meeting this coming November 2 at Gary's. We will also vote for those nominated at this meeting so should you have a desire to run for office or nominate someone be sure to attend the meeting.
- **Sad news.** We have received word that a member of The Vermont Street Rodders has passed away. Pete Graveline was a very active member of the club and was often seen at Libby's Car Show and other venues with one of his vehicles, notably a super nice '57 Ford.

- **Bob is doing fine!** Our own Bob Brunette had a recent fall and some chest pains so spent awhile in the hospital. He is now doing fine and back at his various activities albeit resting a bit more often.
- **Art and Marion's trip to Oregon and Washington**. Art and Marion recently flew out to Oregon to attend the Annual American Kitefliers Convention. Following the convention they visited the Howard LeMay Automobile Museum in Tacoma, Washington. Over 300 cars in several large buildings! Here are some pictures of the many cars lined up bumper to bumper.
