

**November 1, 2012**

**Early Newsletter** Since your Secretary/Newsletter Editor and wife will be visiting in North Carolina from October 26 to Nov 7 this newsletter is out a bit early.

**Also out of State** Larry Tyler will also be out of state for awhile as he makes his annual trek to Guatemala to help build homes for the folks down there.

**Upcoming Events.** The Events Committee met on Monday October 15 and has come up with some places for us to go to this winter. These are *tentative* as we have not confirmed them one hundred percent.

*January.* Donnie Clark's. Former club member Donnie Clark has a machine shop in Vergennes and makes truck accessories and does plasma cutting. Should be interesting.

*February.* Vermont Custom Auto. Street Rodder Mike Burnham has an auto repair/streetrod and custom building shop in South Burlington. (Former member Don Corbett has worked there a few months.) There should be some interesting street rods and customs under construction. I went over there Wednesday and he has a dozen or so projects including Corvettes, Model A Fords, '48 Ford sedan, trucks, etc. He does mechanical, body, upholstery, electrical and will soon have a chroming process called "Cosmic Chrome" that is a new way to chrome lots of materials including and besides steel.

*March.* RPM in Georgia. Time for a return to Rick Paya's shop in Georgia. Rick builds race car engines and related items that surely will be of interest to us. We went there quite a few years ago so it is time for a rerun.

*Pizza Party* We will have a club Pizza Party on Saturday November 3 at Pizza Hut on Susie Wilson Road in Essex at 4PM. Bring your spouse.

This will serve as the November meeting as well. We would like to give Pizza Hut an accurate count of how many are coming so if you are going to attend this event please contact Harold at [dowser12@gmail.com](mailto:dowser12@gmail.com) or call him at 893-3966.

**Election of Officers** At the recent CVSR meeting at Gabe's all the incumbent officers were re-elected. Thanks go out to Harold, Tim, Art and Dan for serving the past year and we look forward to their serving yet another year.

**Club Membership List.** Most everyone has the new membership list that is hopefully 100 percent accurate. The only members who might not have the new list are those that do not have e-mail and who did not attend the meeting at Bob's before the NSRA show. Art will bring the remaining lists to upcoming meetings. Gary wants to be sure everyone has his new e-mail address which is [frostbite@myfairpoint.com](mailto:frostbite@myfairpoint.com).

**Everett Resigns.** Everett Peyrat, a long time member of CVSR has resigned from the club. Everett was President of CVSR at one time as well as NSRA State Safety Inspector. He has had several street rods in the past and hosted many club meetings over the years. We surely will miss him but will no doubt see him now and then around the street rod circuit.
