

November 1, 2014

Short Newsletter This newsletter is comparatively short as the street rod season has pretty much run down and we are getting ready for the holidays as well as putting up our cars for the winter; either in storage somewhere or keeping them in our garages/shops for some big winter improvements. Thinking about what cars are out there we see that Bob L, Bob B, Dan, Tim, Jim, Matt, Gary, Brian and perhaps others have plenty to do this winter on their “rides”.

Club Picnic A huge “thank you” to Larry and Sharon and anyone else who helped with the annual end-of-year picnic on Sunday September 28 at Larry’s in Swanton. There was a big group of club members, spouses, relatives and neighbors who brought something to eat and we enjoyed the great variety of “goodies”. It was a gorgeous day so many folks sat outside and enjoyed the weather long after the picnic was over. Your NSRA Vermont State Rep. presented NSRA Appreciation Day by explaining that NSRA is doing well and thanked all the club members for their hard work at the show. He also handed out Appreciation Day pins.

Club Meeting Report We had a CVSR Club Meeting on Tuesday October 21 at Bob Landry’s in Essex. This was Nomination Night for officers for the upcoming year. The entire slate of last year was nominated. We will not have a club meeting in December which has been the trend in the past several years.

Next Meeting Our next CVSR meeting is coming up next week Tuesday November 4. It will be held at **Carl Dudley’s in Fairfax**. This is the first time having the meeting at Carl’s house so here is a map to his place. Most if not all of us have been to Matt FitzGerald’s. Carl lives about 1.9 miles northeast of Matt. Carl’s address is 14 Appletree Road but this road is essentially his “lane”. Proceed on Sam Webb Road, pass Matt’s, go 1.9 miles and look for a fairly sharp turn to the right. The lane will then come up on the right. There is a sign Appletree Road. His house sits quite a ways back from Sam Webb Road. Matt says he will try to have something

out there to indicate that the meeting is there. This is Election Day but it has never been a big problem in the past. If you are going to vote allow time for the voting as well as attending the meeting.

We will elect officers for the upcoming year. As usual there is room for write-in votes so be thinking about someone who would make a good officer for next year. If you yourself would like to run please speak up and let the rest of us know you would like write-in votes.

Winter Events Committee Meeting Five club members on the Winter Events Committee met for lunch at Hoagie's in Essex on Tuesday October 28. We came up with three places to go to for the January February and March meetings as we have done in the past. We will have a discussion of the places at the next club meeting. Plans are underway for contacting these businesses which all have automotive themes. We have gone to auto related places on Saturday mornings in the past during the winter months and that seems to have worked out pretty well. The CVSR Winter Breakfast/Party was not discussed but there is time for that both at the upcoming club meeting and early next year.
