- **Successful Car Show!** The 17<sup>th</sup> annual Northeast Street Rod Nationals *plus* has come and gone and from all appearances it was a resounding success! A record number of cars registered this year, the weather was very good and it appears that everyone had a good time. Our club was a host club once again and offered the Scavenger Run and the Car Repair Shop. For a first time event the Scavenger Run went smoothly with a bit of a glitch at the award ceremony but it wasn't too bad. We learned a lot about how to run the event and can make it better next year. The Car Repair Shop went smoothly with the usual number of vehicles in for repair. There were a few serious jobs that were accomplished successfully by owners and club members as well.

- **Car Show By the Numbers**

Number of registered cars: 1664 (New Record)

CVSR Members who attended the show: 18 of 21

CVSR Members who helped with the Scavenger Run: 5 (not counting the trial run)

CVSR Members who helped with the Car Repair Shop: 16

CVSR Member spouses who helped out: 8

Former CVSR members who helped at the Repair Shop: 1

Number of cars that came into the Repair shop: 50

Number of Scavenger Run cars that returned entrance forms: 51

Donation amount to the Donation Jar at the Repair Shop: \$313

Donation to the club by the Connecticut Street Rod Ass'n: \$1000

Former CVSR members who attended the show: At least 7

- **Annual CVSR Fall Picnic** The annual picnic was held once again at Bob and Gloria Brunette's in Fletcher. 24 folks attended counting spouses and children. Former member Norm Bennett and his brother Don from the Newport area attended as well. Lots to eat and drink and good "bench racing". After the picnic six cars went on a cruise to Craftsbury Common where a few guys threw a football around and everyone made friends with a local golden retriever before indulging in desserts. Weather was just a bit wet but it didn't bother.

- **CVSR Meetings.**

*October 5* Gabe Gagne's...**this coming Tuesday!!**

*October 19* Don Sullivan's. Nominations for officers for the upcoming year.

*November 2* Gary Bruening's. Election of officers for the upcoming year.

- **Apparel Order.** Everyone that wants to order new CVSR apparel has apparently put in their requests so we are now getting prices from Dick Japhet of Vermont Sportswear and then the treasurer will get him a check so he can fill the order.

- **30 Year Celebration.** CVSR was established in 1981 so that makes 30 years that the club has been in existence as of next year. Harold mentions that perhaps we could do something to celebrate. Let's be thinking about it as next year approaches. A committee perhaps?

- **Winter Events Committee** We are in need of Winter Events Committee members to plan what we will do this coming winter on meeting nights. We have been going to businesses that are automotive related in the past and that has been very successful. Be thinking about serving on that committee.

- **New Officers** Nominations for club officers are coming up soon. We have had officer changes in the last few years so let's be seriously thinking of who to nominate for the four officer positions.
