- And the number 1 comment heard regarding Tim winning the \$1000 prize:
1. "NSRA will do anything to get us to reinstate the Scavenger Run".

Appreciation of our efforts We have had a great variation of amounts of donations in the Repair Shop donation can over the years. This year we may have had the greatest amount ever received with donations amounting to \$598.68. There was quite a heavy donation by one rodder for help with his Jeep. On the bottom of one sign-up sheet one rodder had written "These guys are great".

Apparel order The items of the recent apparel order were handed out at the last two meetings. Not all the ordered items were received so an additional order has been put in with Dick Japhet as of Sept 24.

Pizza Night In the past we have had some form of end-of-season celebration about the beginning of October. For many years we had a picnic at Bob and Gloria's followed by a trip to the Newport area. Larry and Sharon have hosted a picnic at their place. Many thanks for their efforts! This year we will have a pizza party (and short meeting)! Bring yourself and your spouse or a guest and the Treasury will treat you to pizza. We will be going to **Zachary's Pizza, 1250 Williston Road in South Burlington, Tuesday evening October 6 at 7 PM.** We scoped it out during the car show and we will be reserving a private room on the west side of the building. Zachary's is on the north side of Williston Road not too far from Al's French Fries. There will be just a bit of club business.

October meetings. As mentioned above the first meeting of October is at Zachary's. The second meeting will be at **Jim Ricker's in Colchester on Tuesday night October 20 at 7 PM.** We have been there at least three times so most of us know where he lives. It is on the east side of Route 7 in Colchester just south of "Chimney Corners". Look for a mailbox mounted on a vertical Buick crankshaft. His shop is way in the back.

Elections Coming up. According to the bylaws of the club, nominations for officers of the upcoming year should be made at the second meeting in October which this year will be at Jim's. Elections for officers will then be made at the meeting in November. This meeting place will be decided on at the first or second meeting in October.
