September Meeting:

Tuesday Sept 6 Larry Tyler's in Swanton

Saturday Sept 24 The Picnic at Larry and Sharon's to celebrate the 35th Anniversary of the club will serve as the second meeting of the month.

Northeast Street Rod Nationals Here once again comes the biggest car show of the year in this area. We are gearing up for the show by getting the assignments out to the members of our club to work at the Repair Shop. Please come to the meeting at Larry's to sign up to work at the Repair Shop and to bring tools and equipment. We have signed up some workers for the shop but are a bit thin for Saturday afternoon shifts: 12-1:30, 1:30-3, 3-4:30 and 4:30-6.

Club tools and equipment. Gary got us started on this annual project real well at the August meeting at Art's. Those in attendance received tool and equipment lists from Gary and verified that they could or could not bring the same items to the NSRA show coming up. We will do the same at the next meeting coming up at Larry's on the 6th. Also we will assign someone to get metric and other tools for the club tool box.

Cruise to A&W in Middlebury. On Tuesday August 2 the visit to A&W was pretty well attended with about 18 members present. We enjoyed the A&W food and did some "bench racing" ("picnic table racing") Afterwards several members rescued Stan who "threw a driveshaft" on his way home. This happened just before he got to Vergennes. His truck was towed to a parking lot for the night and Stan was delivered to his home.

Swanton Car Show. The annual Swanton Car Show on Saturday, July 30 was a great success. Weather couldn't have been better as it was not hot and the humidity was low. Club members attending were (at least, maybe more...) Brian, Larry, Harold, Art, and John. The place was packed with cars from Vermont, New York, Canada and elsewhere. A big winner was a Canadian '55 Chevy with a tilt front end. (Great idea! 😊)The car won three major awards. Larry won a prize for his Dodge truck. Congrats Larry!

September Shows.

Every Wednesday. Wednesday night Cruise-In at the Essex Big Lots Parking lot in Essex Junction on Pearl Street. 5:30 to?

Cars and Coffee Third Saturday of each month at the Community Bible Church on Williston Road. 7-9 AM.

Sept 4 Olympic Car Show Lake Placid NY

Sept 8-11 Adirondack Nationals Car Show Fort William Henry Hotel Lake George NY

Sept 16-17-18 NSRA Northeast Street Rod Nationals. Essex Junction Exposition

Sept 25 Better L8 Than Never Car Show Bristol VT

Vergennes Day Car Show (Can't find a real good confirmation)

CVSR 35th Anniversary Picnic. The picnic will be held at **Larry and Sharon's** on **Saturday September 24.** Please come to the meeting before this date as we have some planning to do for the Picnic and /or to inform everyone about this event. *We would like to make a list of those who plan to come so we can arrange for the amount of food to get.*

Classified ads

1953 Chevrolet: There is a real nice '53 Chevy for sale near Art's in Colchester. It is parked on the north side of Route 2A, sometimes covered with a car cover, sometimes not. Information card has a phone number and asking price, (\$10K OBO is the memory from here!)

Mechanic wanted: There are signs posted along Route 2A in Colchester advertising "Mechanic Wanted" which is for work as a fleet mechanic at the SSTA nearby. A street rodder ought to be able to handle this job! Someone in the club may want a change or to go back to work. Your secretary was offered the job so they must be desperate!

Parts Wanted: Emergency brake parts for a '62 Dodge Polara. The struts and levers within the 11" rear brake drums as well as the rear cables are missing. Hard to find! Chrysler products in the '62 to '72 era may have these parts. Contact person: Art Stultz 879-7283.

For Sale: Draw-Tite trailer hitch that fits a Ford Fusion or Mercury Milan. New, never been used. New price was \$178. For sale for \$50. Art Stultz 879-7283.

National Hot Rod Truck Month!
